

DET BOOST

STRENGTHENING AND SEQUESTERING ADDITIVE FOR WASHING FABRICS

- Increases the washing power of the main detergent
- Helps to maintain and improve the white point of fabrics
- Optimised for use with Oxipur system products

Strengthening and sequestering additive for automatic washing of fabrics, usable in all washing cycles and particularly recommended for water hardness >0°F.

Formula specially designed to:

- neutralise problems caused by water hardness that may limit the performance of the main detergent (ENZY EXTRA, CLEAN ACTIVE or DEGRE PLUS), thus increasing its washing power;
- prevent mineral salts and/or iron dissolved in water from settling on fabrics, thanks to its sequestering action;
- help to maintain and improve the white point of fabrics, thanks to its anti-redeposition action;
- help to prevent the formation of yellow and/or pink stains due to the use of sun creams/oils and products.

Ecolabel-certified: IT/039/004.

HOW TO USE

- To be used with the other products of the Oxipur range, and with Sutter Tech automatic dosing systems.
- Always introduce DET BOOST in combination with the main detergent (ENZY EXTRA, CLEAN ACTIVE or DEGRE PLUS).

To be used during prewash and main wash.

For further information please contact the Sutter Professional technician.

DET BOOST

DILUTION

- In the pre-wash: 30% of the recommended dose in the table.
- In the main wash: 100% of the recommended dose in the table. In case of pre-wash, 70% of the recommended dose in the table.

To be dosed according to the cycle of washing, water hardness and kind of dirt. Recommended dosages and temperatures allow you to save on water and energy consumption and reduce the environmental impact to a minimum.

FEATURES

Doses (ml/kg of laundry):

Water hardness	Lightly soiled	Normal soiling	Highly soiled
Soft water (0-15° F)	0 ml/kg	1 ml/kg	2 ml/kg
Medium water (15-25° F)	2 ml/kg	3 ml/kg	4 ml/kg
Hard water (> 25° F)	4 ml/kg	5 ml/kg	6 ml/kg

TECHNICAL DATA

ASPECT: Liquid

COLOR: Yellow

PERFUME: Technical

COV/VOC: 0,00%

PH	Active substance [%]	Density (g/ml)	Pressure (bar)	Viscosity (cP)	Total dry residue [%]
11± 0,5	16 ± 1	1.093			

WARNINGS

Causes serious eye damage. Wear eye protection. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician. Contents POLICARBOXYLATE, SODIUM SALT.

DANGER

DET BOOST
