

DEGRE POWER

SUPER ACTIVE ADDITIVE DEGREASER FOR AUTOMATIC WASHING OF FABRICS

- Super active against greasy and stubborn stains
- Formula with limonene
- Optimized to be used with the Oxipur system products in order to decrease the rewashings

Liquid degreasing additive for the automatic washing of fabrics, specific for the removal of greasy stains on fabrics coming from environments such as kitchens, restaurants, workshops and on flat mops for floors. Particularly suitable for the removal of greasy stains from polyester and polycotton tablecloths. Ideal for removing stains that cannot normally be removed through standard washing, in order to decrease the rewashings. Also recommended for the specific washing cycles provided for discarded linen's recovery.

HOW TO USE

To be used with the other products of the Oxipur range and with the Sutter Tech automatic dosing systems. It is always advisable to combine DEGRE POWER with a detergent for washing fabrics.

DILUTION

To be dosed according to the cycle of washing, the water hardness and the kind of dirt. For further information, please contact the Sutter Professional technician.
