

MANGIAPOLVERE LEGNO

SCENTED ANTISTATIC WOOD-SURFACE DUST REMOVER

- Powerful and long-lasting antistatic effect
- Formula enriched with beeswax
- No gas - eco-lover

Scented antistatic wood-surface dust remover with new 4-in-1 formula:

- eliminates dust without scattering it in the air;
- creates an antistatic barrier that slows down the formation of dust for days;
- nourishes and protects wood thanks to beeswax;
- leaves a pleasant scent for a long time.

Compressed-air technology that does not contain harmful gases and helps to respect the environment. Ideal for use on furniture, furnishings, ornaments, metal and plastic surfaces. Do not use on stairs and floors, it can make them slippery.

HOW TO USE

Shake well before use. KEEP THE CYLINDER IN A VERTICAL POSITION and spray the product directly on a soft cloth from a distance of 15cm and dust the surface. DO NOT ROTATE THE CAP. To increase its effectiveness, spray the product regularly on the cloth during dusting.

DILUTION

Ready to use.
