

DESCALER PLUS

NATURAL* DESCALING DETERGENT

- Effectiveness tested against market leader in a ISO 17025 certified laboratory.
- Produced with raw materials from natural origin, fully biodegradable*
- Ideal also for dishwasher descaling

Descaling detergent with natural origin organic acids (citric acid and lactic acid). Recommended for the removal of limestone residues from polished surfaces, taps, stoneware, ceramics and for dish-washing machine descaling. It contains natural origin raw materials (e.g. surfactants, acids) coming from the processing of glucose, corn and potatoes. Phosphate and nickel-free (less than 0.01 ppm). Colourless and fragrance-free.

HOW TO USE

Manual usage and/or scrubbing machine. For daily maintenance, dilute by 3%. For extraordinary anti-limestone action, deep cleaning and washing machine descaling, use DESCALER PLUS without dilution. Spread the solution on the surface, leave it to act and rinse in case of residues. In case of persistent dirt, evaluate higher dilution ratios.

DILUTION

3% (300 ml in 10 L of water) - pure if required. The recommended dilution allows to save money and minimise environmental impact. A smaller quantity is enough in comparison to a diluted product.

TECHNICAL DATA

ASPECT: Clear liquid

COLOR: Colorless

PERFUME: Technical

PH	Active substance [%]	Density (g/ml)	Pressure (bar)	Viscosity (cP)	Total dry residue [%]
< 1,0	22 ± 1	1.095			

DESCALER PLUS**⚠ WARNINGS**

Causes severe skin burns and eye damage. Wear eye protection. IF SWALLOWED: rinse mouth. Do NOT induce vomiting. IF ON SKIN (or hair): Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. IF INHALED: Remove person to fresh air and keep comfortable for breathing. IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician. Contents L-(+)-LACTIC ACID, ALKYL POLYGLUCOSIDE

DANGER

📄 NOTES

Do not use on calcareous surfaces (marbles, etc..). Only for professional use. Safety data sheet available on request.
